Rev. W. T. Gunn, D.D.,

33 Victor Avenue, Toronto.

Dear Mr. Gunn:

I have this morning your letter with regard to your son. I regret very much that he made the mistake in taking his practical Chemistry examination. I do not know at the present exactly what may be done, but I should advise your son to continue his work and do as well as possible in the other examinations. It is extremely difficult to allow new examinations for those who have made a mistake of this kind, and I do not know whether it will be possible, but I have spoken to the Registrar about the matter and we will do the best we can in the circumstances.

Yours sincerely,

President.
